

Grateful you're here—so important to have live music venues. *-Ellen, 1st time*

Amazing venue, quality and varied genres, perfectly Peterborough! *-Robert, 1 year*

This is my first visit to PFM, hopefully more to come. At 76, folk music has brought me lifelong joy, from the Brothers Four to our current amazing talent. Thanks for providing a lovely venue. *- Mary, 1st time*

A continuation of folk music in the region. We were regulars at the Folkway. Love "old" friends and being introduced to new talent too. Thank you! *- Ruth & Beth, 30 years*

Folk music – always my first love, intimate venues, no stadium shows for me, not interested in an event, just the music.
-Casper, 15-20 years

PFM has always been a dependable source of the best of the folk musicians. I am always confident when I recommend them to anyone, especially those new to the area. Thank you! *- Deb, 25 years*

It's been a wonderful 30 years. Thanks to all of the amazing artists that we have hosted! *- Deb McWethy*

Deb, What a wonderful way to spend a Sunday evening. It is so much fun to continue to work together. It's so gratifying to know that you "got it" from the beginning. Let's do it again some time. Anytime!

- Mark Erelli

Thank you so much for having me and for feeling so strongly about my music. To now be among the wonderful singer/songwriters who have played for you is an absolute honor.

- Crys Matthews

And then there are **Deb's House Concerts**, which Deb McWethy started in 2002. Here, an up-and-coming young artist or a well-known established musician mingles with an audience of about 50 music lovers in the warmth of Deb's home. There is always a potluck, as well as an intimacy between artist and audience that brings both coming back, year after year. With all the proceeds going to the musicians, Deb's House Concerts are a regional treasure and a true labor of love.

Thanks, Deb,
for all of your
hard work for 30
wonderful years!!

PETERBOROUGH FOLK MUSIC

Bringing Folk and Americana Music to the Monadnock Region Since 1996 • www.pfmsconcerts.org

THIRTY YEARS AGO, the beloved and legendary Folkway sadly had to close its doors.

Almost immediately, out of a powerful conviction that the music must play on, the Peterborough Folk Music Society sprang into life. It was spearheaded by Deb McWethy, founder and president of what is now Peterborough Folk Music.

On January 7, 1996, just seven days after the closing of The Folkway, the newly formed group held its first concert, featuring Dar Williams and Peter Mulvey—two of the many top musicians who have graced our stages over the past three decades.

The impact of Peterborough Folk Music on audiences, musicians, and our vibrant Monadnock region is profound. PFM has helped launch and sustain the careers of countless extraordinary musicians. It has built and sustained a deeply loyal and grateful audience of listeners, who come for the first time or the hundredth time and become part of this deep and ever-changing tradition.

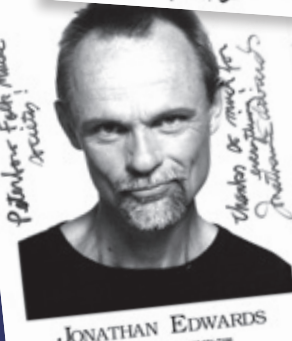

PETERBOROUGH FOLK MUSIC: An all-volunteer non-profit organization bringing the best of Folk and Americana music to the Monadnock region for 30 years. This special newsletter initiates our **ANNUAL FUND DRIVE**. A donation envelope is enclosed. Or donate on our website: PFMSconcerts.org. Thanks to everyone for your patronage over all these years!
